

An Evening with Lawrence & Boston ATC; Pilot Deviation Awareness & Prevention

PLEASE NOTE: Due to Inclement Weather for the third time the date of this event was changed to Thursday 2/10/2011! This seminar will enhance your Pilot Deviation Awareness. Join us for a review of Class D and B Airspace rules including an in depth explanation and discussion on Temporary Flight Restrictions (TFRs). There will be a highly informative Question & Answer session with LWM ATCT Manager Paul Nugent and TRACON controller, Bob Adelizzi.

Directions: See Map Link and Additional Information Section.

A message from the National FAASTeam Manager

WINGS – The better way to meet your Flight Review requirement!
